

Chemistry 216

The theory of the electron; the theory of the chemical bond.

honors freshman chemistry, Cornell, 2007

Theory of the chemical bond

An Amalytis bulb or an onion

*Evolution "is a theory, only a scientific theory. ...
If it is going to be taught in the schools, then I
think that also the biblical theory of creation,
which is not a theory, but the biblical story of
creation, should also be taught."*

President Reagan 1980

*What is the difference between
science and religion?*
